

We are happy to announce that the Crocker Farm has teamed up with Deans Beans to offer special Crocker Farm blends of Dean's delicious organic, kosher, Fair Trade coffee.

Each pound purchased raises money for PGO-supported programs at Crocker Farm (things like student field trips to local museums, the One World Festival, Crocker Press and more)! Dean's Beans is a progressive local business that assists grassroots development projects in coffee-growing villages.

If you drink coffee, please consider trying our Crocker Farm blends!

How it Works:

1. Order forms are always available for download at www.crockerfarmpgo.blogspot.com, or from the PGO mailbox in the Main Office. Fill in an order form and send it, along with check made out to "Crocker Farm PGO," to school with your child.
2. Orders will be placed the first Wednesday of each month. Coffee will be roasted and shipped fresh in one-pound Kraft bags of whole or ground beans; we'll send it home to you via your child's backpack the second Wednesday of the month. (You may opt to pick your coffee up if you prefer; see order form.)
3. Order by the month, or for a few months at a time (see order form). Buy for yourself, for friends and relations, for holiday gifts and for every day. These products make fantastic gifts!
4. Questions? Email Erika Zekos at studiozed@comcast.net.
