3. Click on the corner of the image to make it larger.

4. Make the slide layout balanced and centered. It should be a pleasing layout.

Copy & Paste the Riveted Brass Ring to slide 2

1. Once the image is on the slide, create a balanced layout.

Riveted Brass Rings

- Worn by the Narragansett in Rhode Island
- Made from a hollow metal tube hammered into a circle
- Squares of metal were riveted to some rings as ornaments

2. Reformat the image. Add the trim. Make it larger. Drag it to the side.

3. Reformat the bullets. Make the Font size smaller, resize the box, drag it to the side.

4. Add images to slides 3 & 4. Reformat each slide as shown.

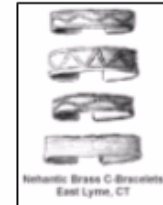

Mohegan Brass Rings

- State the people that are connected to it.
- Name the methods and materials used to create it
- Describe any decorations added to the jewelry to make it attractive

Nehantic Brass C-Bracelets

- State the people that are connected to it.
- Name the methods and materials used to create it
- Describe any decorations added to the jewelry to make it attractive

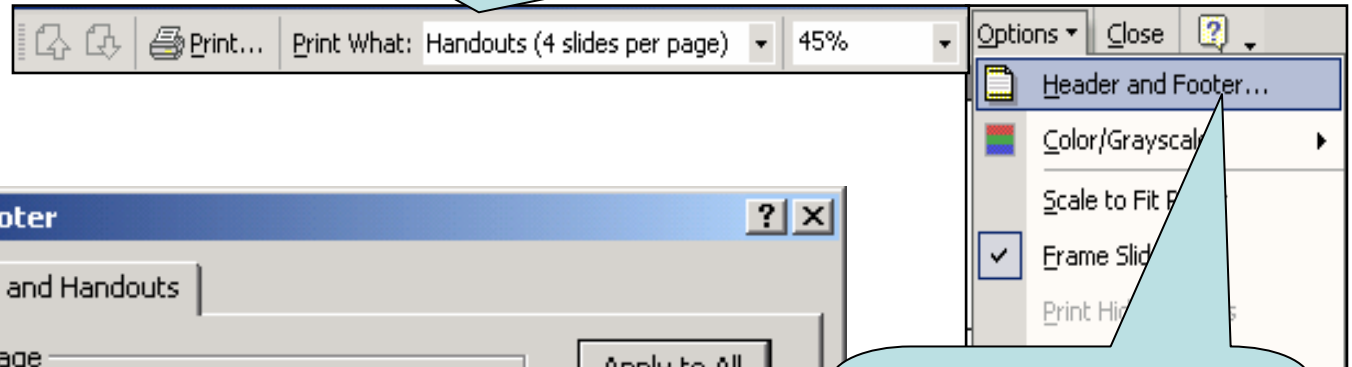

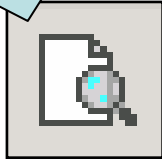

Go on
