Dear Pelham Community,

Field Day was so much fun for our students! The weather was picture perfect for the events. Activities were held in the morning, then games and the sprinkler set up for the afternoon. The day finished with popsicles for all. The PTO put on a cook out for the students and staff, and it was quite a treat! Kudos to Christina Taylor, our PE teacher, for a successful Field Day. I’d also like to thank all of the volunteers who came to help set up, staff the activities, cook and serve lunch, and then to break it all down at the end of the day. We truly appreciate everyone’s support in helping to make it a success.

Teacher Appreciation Luncheon is this Tuesday, and I am still looking for a few parent volunteers to come help cover from 11:15-12:15. Volunteers must have a CORI, so if you are able and willing to help, please stop by the school office tomorrow so we can get the CORI completed.

Summer is on the horizon and with that comes summer gardens that will need some watering over the course of the summer. Lee Halasz is willing to be the point person again for this project. Please contact Lee or me if you are interested in helping. Lee can be reached at LeeHalasz@gmail.com

Here are the weeks we need covered:

- June 16th
- June 23rd
- July 1st
- July 9th
- July 16th
- July 23rd
- July 30th
- August 4th
- August 11th

Have a great week! Lisa

Please join us for a potluck to celebrate

LENNIE & HER RETIREMENT

Thursday, June 6th 5:45 - 7:00 pm

Pelham School Playground

Come for pickup, stay to celebrate!

After 19 years of supporting our children (and us!) as the director of the Pelham After School Program, Lennie is retiring! Gather with us after pickup on Thursday, June 6th to recognize and celebrate all that Lennie has done for our school community. Bring a blanket to spread out on the fields. Spread the word!

Potluck by last names:

A—G
Appetizers/
Salad

H—P
Something
a bit more
substantial

Q—Z
Salad/Dessert

Or.... Just bring whatever works for your family for that evening!

Turn Markers Into Energy!

Dear Pelham School Families and Staff,

We are excited to tell you about a very special program the PTO is coordinating at our school in conjunction with Crayola. It's called Crayola ColorCycle – an amazing program devised to repurpose used markers rather than sending them to landfills!

The ColorCycle program has repurposed more than 70 tons of expended markers in the United States and Canada since 2013, and uses the most advanced plastic conversion technologies available today to make wax compounds for asphalt and roofing shingles as well as to generate electricity that can be used to heat homes, cook food, and power vehicles.

Around Pelham Elementary School, students and teachers will be collecting used markers that are ready to be discarded. Please help support our efforts by sending your kids in with any used markers you may have around the house – **even non-Crayola brands!** Highlighters and dry erase markers can also be included. A drop-off box will be located outside of the main office.

Thank you in advance for participating! With the help of families and staff like you across the country, the Crayola ColorCycle program can continue to keep tons of plastic out of landfills each year. Special thanks to Pelham School parent Andrea Alessi for bringing this program to our attention!

Remember, don't throw out that used marker. *ColorCycle it!*

Warmly,

Jenny Franz
Pelham PTO President
